Results of the Youpa Challenge

Forty-four players teed it up for The Youpa Challenge. Except that there was no Youpa. Our Director of Golf had to undergo some surgery that prevented him from participating.

The format for this event is called a Modified Chapman format. It features two-man teams playing a form of Alternate Shot. On the tee, both players hit their ball. When they get to their drives, Player A plays his next shot using Player B's ball, and Player B hits Player A's ball. The team then chooses which of the two balls they will play, and then they play Alternate Shot until the ball is holed. On the next tee, they state all over again. Like most team formats, there is a lot of "Sorry, Partner" heard over the links. And a good time is had by all.

All Youpa Challenges feature the team of Dave Youpa and the current Men's Club President. Their Net Score for the event becomes the Target Score. Any teams beating the Target Score divide up the price pool. This year, the President is Javier Murrieta, but pinch-hitting for Dave Youpa was Industry Hills Pro Frank Garcia. Their Target Score was a Net 75 on the Eisenhower course. The list of teams beating that score has been lost, unfortunately.

The 2026 Performers' Classic

Participation in the Men's Club weekend tournaments earns you points in the Performers' Classic year-long competition. You earn 50 points for each day you participate in an event, and extra points (100 down to 10) for winning Low Gross, or finishing in the top 10 (Net) in a flight in that event. **The player who finishes with the most points will have his name engraved on the permanent Otha Johnson Cup trophy.** The top 25 point-getters, not counting Board Members or Advisors (in **bold type** below), will win a complimentary round of golf, lunch and a prize at the Performers' Classic tournament, plus a chance to win a one-year Premium Membership.

The Performers year starts with the **Season Opener** in November and runs through the **Youpa Challenge** in October.
